

SENATOR SCHELLPEPER: Not that I know of.

SENATOR CHAMBERS: They're not going to have anything to do with this?

SENATOR SCHELLPEPER: I don't have any idea. They're not involved with off-track betting in Omaha, so...

SENATOR CHAMBERS: Do you think that there is anything in this amendment, if it would pass, that would facilitate or benefit GTECH in any way?

SENATOR SCHELLPEPER: I don't see them becoming involved, but I don't know, with the latest technology, you know, I have no idea what they're in.

SENATOR CHAMBERS: If they wound up being involved with it, that would come as a shock to you then?

SENATOR SCHELLPEPER: Well, I don't know what they're all involved in, Senator. I have no idea, I'm not into...

SENATOR CHAMBERS: I'm not talking...

SENATOR SCHELLPEPER: I have no idea.

SENATOR CHAMBERS: I'm not talking about the other things, I'm talking about this. Whatever your amendment would do, and whatever you think it will do in your mind, not my opinion. It would shock you if somehow GTECH would get involved in this activity and be benefited if this amendment passes. It would shock you if GTECH got into the mix. Is that what you're telling me?

SENATOR SCHELLPEPER: I really don't know because I don't know what they're capable of doing. I have no idea, but I know they are not involved in the one over in Bennington.

SENATOR CHAMBERS: If they did, would your eye teeth fall out of your head?

SENATOR SCHELLPEPER: No, I have fairly good teeth.

SENATOR CHAMBERS: Okay. Your jaw wouldn't drop to the floor?
